

September 2021 will be the September to Remember!

As we begin to experience the changing of the weather and leaves. Let the change begin in **YOU** this season. Your perseverance, determination, and go-getter attitude will continue to guide you towards your future goals. "Uncertainties" was the word most often used last September. This September we will change that to "Challenges!" Challenging times brings future possibilities. Challenging yourself to do your best brings out the greatness in you. **Challenges=Excellence!** After all, **"If it doesn't challenge you, it won't change you."** Fred DeVito

As you continue to embark on this fall semester, make sure you are aligned with the resources and services that will help you reach and achieve your academic goals. As a TRiO Scholar, you have the TRiO family support that will help you fulfill your educational aspirations. Despite still having COVID front and center, **WE** are extremely happy to continue this academic year together with you. **WE** are passionate about Student Success, and are here to **HELP, SUPPORT,** and **ASSIST** you on this journey. Together we are **STRONGER, GREATER,** and **BETTER!**
