

DAVIDSON-DAVIE COMMUNITY COLLEGE
Academic Affairs
Instructional Curriculum Development
POLICY 4.1.3

The President shall determine the courses and programs of instruction needed to meet the educational needs of the people in the College's service area and shall determine the effectiveness and efficiency of the programs and services in meeting these needs.

All new programs offered by the College must comply with general education requirements of the College's accrediting body. All new and revised program of study must be approved by the Board of Trustees and the North Carolina Community College System Office. The college must include the North Carolina Community College System Office's required components in the development of a curriculum program of study consistent with the provisions of the State Board Code.

All approved programs and courses should be contained in the College's Catalog.

The continued operation of any curriculum program is dependent upon adequate state funds and sufficient enrollment in the program.

The President shall develop procedures for the implementation of this Policy.
